

Notice

10.06.2024

The students of only 2nd Semester will be allowed to do Summer Internship this year. 156 students of Arts, 57 of Science and 33 of Commerce have expressed their wish to complete internship in 2nd Semester. Underneath is given a list of internship programmes to be provided by the college. Departmental Heads are directed to inform their respective students to go through the internship topics for selecting their preferential choice of internships. The students are asked to meet positively a team of teachers on 14th June at 2pm in Room No. 207 for counselling and explanation of the internships to be provided and their final selection is to be noted by the college. Any other student of 2nd Semester specially those doing 3/4 year course and have missed filling the google form provided by the college can remain present in the meeting to get enlisted in internship programmes.
