

## **Sarsuna College**

### **NOTICE**

**12.12.2021**

One laboratory attendant of the department of Chemistry has been found as COVID infected. Therefore all offline classes of Chemistry (both Hons. and Gen. ) will remain suspended on 13.12.21 and 15.12.21 for the safe and security of the students, teachers and staff of the concerned department. The said department will remain closed till 15.12.21 and those who are related to this department are advised to take care of their health. However online classes will be set on the above mentioned days instead of offline classes. Students will be informed by the concerned department regarding the schedule of replaced classes.
