

NOTICE
13/05/22

The Summer Recess in the college will start from 25.05.22 to 30.06.22. However, teachers are requested to attend the remedial classes, examination duties and other administrative duties as assigned to them during this period. All teachers are asked to keep their mobile phones in active mode during this period so that the college authority may contact them as and when required. The college office, laboratories and library will remain open during the Summer Recess. All laboratory staff are asked to do maintenance work of the laboratory and update the Stock Registers during this period. However, the classes of GIS training courses and DDE, VU of the college study centre will remain continued as per requirements. The new working schedule of the college during this period will be from Monday to Friday at 11.30 a.m. to 3.30 p.m. However, for academic classes this schedule may not be followed.
