### Objectives

Sharing is caring. WBCoLOR (West Bengal College Libraries' Online Resources) consortium intend to build a collaborative centralised data base of online resources on the subject taught in the undergraduate degree colleges of West Bengal by the college librarians with similar needs in a specific area. Library cooperation and resource sharing is the need of the hour to strengthen each college library so that they can serve their users better. Providing cooperative library services through WBCoLOR not only able to satisfy the fourth law of library science i.e. **"SAVE THE TIME OF THE USERS"** but also it saves time, energy, money of the collaborating Institutions. So this seminar intends to focus on different aspects of library cooperation, its prospects and challenges.

Sub theme of paper: Library Consortium, Library Co-operation, Library Resource Sharing, Library Services, Information Seeking Behaviour of college students, College Library Services: Problems and prospects.
